

**Fabian Kallerdahl Galore  
Maxi Music**

Pianist Fabian Kallerdahl was the “Jazz in Sweden” artist for the year 2006. This distinction involved appearances by the group at various festivals both in Sweden and abroad.

Kallerdahl is one of the most prominent and proficient musicians of the younger generation, a powerhouse in youthful Swedish jazz. During the last few years he has been heard in a number of groups and constellations, mainly in his own trio musicmusicmusic.

On the “Jazz in Sweden” CD “Maxi Music” he has put together a new handpicked quartet with Per “The Flame” Westling on guitar, Stefan Wingefors bass and Lars “Lade” Källfelt drums, in addition to Fabian himself on the piano. This is really jazz for the future!

All the tunes on the album are by Kallerdahl except for Hoagy Carmichael’s The Nearness of You.
