In 2018 "The Thrill Is Gone" by Lindha & Fabian Kallerdahl was released on HOOB Records. Original and free interpretations from the American Songbook woven together with free improvisations.

Lindha Kallerdahl, voice

Fabian Kallerdahl, grand piano, electronics

"Their thrill is far from being gone." "Everything is love"

-Eyal Hareuveni, Salt Peanuts

"For me, this is one of the strongest experiences on record this year"

-Jörgen Östberg, Orkesterjournalen

"A highly refined album" [4/5]

- Peter Bornemar, DIG

"The old songs get a beating, but lose neither musical soul nor text-based strength. On the contrary, the couple Kallerdahl often succeed in uncovering a form of essence, which feels even more urgent through the personal interpretation." 4/5

-Johannes Cornell, DN

4.

"It is the voice, the singing, the scream that is at the center and expresses sounds throughout the emotional register. The piano follows in all emotional turns. You can tell that Lindha and Fabian have been together for a long time" [EXCELLENT]

-Mattias Gustavsson, Ung Tro

"The couple piles off all the pre-determined conceptions surrounding the songs, and all glamour, on a quest for the true core" [Lira Likes]

- Leif Carlsson, Lira
